Describe your day on May 15, 2020.

(Tell us whatever you'd like at whatever length you'd like. We think future students will especially appreciate hearing about concrete details -- Did you go out today? What did you do for fun? Did you cook or eat anything special? Did you work or do chores? Who did you spend time with? What can you see and hear from where you are right now?)

I consent to my submissions for the "One Day in May" project being made available to library users, and I grant Hanover College a nonexclusive, perpetual, royalty free license to use, duplicate and distribute them.

What do you remember best about being on campus the last time you were here in May?

(Tell us what whatever you'd like at whatever length you'd like. We think future students will especially appreciate memories that help them imagine being on campus then -- What was your classroom like? What could you see outside outside in the afternoon? What music or other sounds could you hear? What did you do in the evening? Who did you spend time with?)
