Describe your day on May 15, 2022.

Tell us whatever you'd like at whatever length you'd like. We think future students will especially appreciate hearing about concrete details -- What can you see and hear from where you are right now? What did you do for fun today? Did you cook or eat anything special? Who did you spend time with? Was today a day of rest? a day for religion? a day to catch up on work?

I consent to my submissions for the "One Day in May" project being made available to library users, and I grant Hanover College a nonexclusive, perpetual, royalty free license to use, duplicate and distribute them.

We'd also like to hear about what a typical Sunday is/was like for you at Hanover.

Tell us about how you usually spend/spent Sundays at Hanover – at whatever length you'd like. We think future students will especially appreciate hearing the small details of everyday life.

- If you slept in, did you have Sunday brunch? – in a local restaurant or the dining hall? alone or with friends?
- If you went to a local church, what did you see or hear there? How active were you in the congregation?
- If you used Sunday to catch up on homework, where was your favorite place to study and what did it look like? What music did you listen to (if any)? Where did you go for coffee or snacks (if any)?
