Describe your day on May 15, 2021.

Tell us whatever you'd like at whatever length you'd like. We think future students will especially appreciate hearing about concrete details -- What can you see and hear from where you are right now? What did you do for fun today? Did you cook or eat anything special? Did you work or do chores? Who did you spend time with? What did you learn?

I consent to my submissions for the "One Day in May" project being made available to library users, and I grant Hanover College a nonexclusive, perpetual, royalty free license to use, duplicate and distribute them.

What do you think you'll remember most about surviving the pandemic?

Tell us what whatever you'd like at whatever length you'd like. We think future students will especially appreciate memories that help them picture your life and relationships -- Have you taken up any new leisure activities in the last year, or have you changed how you eat, or cook? If you're on campus, what was it like in classrooms or dining spaces or locker rooms or offices? Have you been able to stay in touch with family or friends (including classmates and other Hanoverians)? How? What have you missed the most in the past year?
