Connection to the College (student? faculty? alum? friend of the College?):

Describe your day on May 22, 2024.

Tell us whatever you'd like at whatever length you'd like. We think future students will especially appreciate hearing about concrete details -- What can you see and hear from where you are right now? What did you do for fun today? Did you work or do chores? Did you cook or eat anything special? Who did you spend time with? What music have you been listening to today?

I consent to my submissions for the "One Day in May" project being made available to library users, and I grant Hanover College a nonexclusive, perpetual, royalty free license to use, duplicate and distribute them.

We'd also like to hear more about your experience with music at Hanover.

How and where did you listen to music at Hanover? Was there a song that everyone wanted to hear or dance to when you were a student? Did you attend any concerts during your college years? Did you sing or play in a band or choir? What do you think of when you sing the Alma Mater? Has your taste in music changed over the years?

Tell us whatever you'd like at whatever length you'd like.
