Connection to the College (student? faculty? alum? friend of the College?):

Describe your day on May 20, 2026.

Tell us whatever you'd like at whatever length you'd like. We think future students will especially appreciate hearing about concrete details -- What can you see and hear from where you are right now? What did you do for fun today? Did you work or do chores? Did you cook or eat anything special? Who did you spend time with?

I consent to my contributions to the "One Day in May" project being made available online and in-person to library users, and I grant Hanover College a nonexclusive, perpetual, royalty free license to use, duplicate, and distribute them.

We'd also like to hear about your memories of Hanover.

Faculty and friends often come up when people talk about college life, but who else made an impression on you? Do you have fond memories of food service workers or custodial staff? House moms or chaplains? Deans or presidents?

Tell us whatever you'd like at whatever length you'd like.
